

### Features and Benefits

- In accordance with API RP 1004.
- Lightweight pressure die-cast construction for maximum strength and weight reduction.
- Pre-cast hole in cap provided for security seal.
- One handed operation to install or remove cap.
- Durable wide nitrile gasket.
- Compatible with diesel, bio diesel, gasoline, ethanol and methanol

### Use Cause

- API dust caps are designed and tested to take the punishment of the long haul.
- The caps not only seal and hold pressure, but they also retain their shape even if dropped or mishandle.
- Vapour Vent maintains a low profile to keep the vents well below the overturn

### General Specifications

- Materials: Aluminium and Stainless Steel
- Working Temp. -40°C to +70°C
- Weight 3.5 Kg
